# INVITATION

## From the Desk of Organizing Committee

Dear Colleagues,

Greetings from Pune Obstetrics and Gynaecological Society- TEAM 2021-22.

Pune Obstetric and Gynaecological Society believes in imparting “current” and “evidence based” knowledge to all its members and to members from all over the country and globe through conferences, CME and webinars.

The theme for this year is **SHE-THE STAR**

In continuation with our belief we are coming up with a mega event, a hybrid conference dedicated to Endoscopy and infertility from 18th-20th February 2022 , to be held at Dr. D. Y. Patil Medical College, Pune.

**Dates : 18, 19 & 20 th February 2022**

The relay of operative surgeries on 18 February 2022 ,Friday, 19 February 2022, Saturday will be from 6 dedicated operation theatres to Dr. D. Y. Patil Hospital Auditorium to delegates who will be present physically. Delegates all over the world who have registered for virtual platform will receive single user login ID & password to access the platform virtually for the same.

On 20 February 2022, Sunday we have arranged pre-recorded didactic lectures, Panel Discussions, Keynote addresses & Orations to be relayed on virtual platform only.

We would like to invite you to this conference as a gain of knowledge and experience in the world of endoscopic surgery. Physical presence is beneficial to all . Hence we have kept the delegate fees to bare minimum.

The weather in Pune in February is pleasant & the academic environment of Dr. D. Y. Patil University campus & the scientific content will add flavor to the Conference.

Looking forward to meet you at Pune,

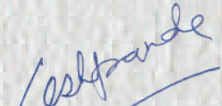

With Regards ,

Sincerely Yours,
