Pune Obstetric and Gynaecological Society believes in imparting “current” and “evidence based” knowledge to all its members and to members from all over the country and globe through conferences, CME and webinars.

The theme for this year is **SHE-THE STAR**

In continuation with our belief we are coming up with a mega event, a hybrid conference dedicated to Endoscopy and infertility from 18th-20th February 2022 , to be held at Dr. D. Y. Patil Medical College, Pune.

Dates : 18, 19 & 20 th February 2022

The relay of operative surgeries on 18 February 2022 ,Friday, 19 February 2022, Saturday will be from 6 dedicated operation theatres to Dr. D. Y. Patil Hospital Auditorium to delegates who will be present physically. Delegates all over the world who have registered for virtual platform will receive single user login ID & password to access the platform virtually for the same.
